

# The "Mothering With Spirit" Circle

\*Uniting Ancient Magic with Modern Motherhood\*

*Are you a mother who could benefit from time to herself to replenish your spirit and recharge your "batteries?"*

The "Mothering with Spirit" circle is a group of moms that take time each week to connect with the best in themselves. Like ancient wise women circling the fire, we convene around makeshift alters...soft music, candles and twinkle lights make the setting quiet and peaceful, away from the busyness of life. We talk about our children and homes, our dreams and plans, our fears and frustrations. We are modern day wise women convening to support one another through the life changing and mundane. Creating a sense of community. Inspiring one another to live our best life. Each week, facilitator, Marin Bach-Antonsen creatively guides the group with a different theme for sharing, ceremony and powerful self-insight work. *This circle meets regularly Tuesdays, 7:30-9:30pm at the New Age Center.*
